*Gregory assisted us in the purchase of a short sale home. It was a very long and difficult process, taking over one year from initial offer to final close. He expertly helped us navigate through a maze of uncooperative lawyers, bankers, and sellers. In the end, we got a terrific home at a great price. Gregory really had to work to get this sale closed, but he treated us great every step of the way. Gregory Kush is, by far, the best realtor we have every used.*
