

April 18, 2016

Gregory is a great realtor, helping us find the perfect home in Sawgrass. He was patient, taking us through many different homes and really listened regarding what we were hoping to find. When we finally decided upon the home we wanted to buy, he exhibited even greater patience dealing with a contentious legal matter and multiple closing delays. Gregory was always available and through his perseverance, we were finally able to close. We love our new home and would definitely call him again
